Nurturing
potential.

Welcome to Possability

My name is Drew Beswick. I am the **CEO** of Possability. My job is to make sure Possability

- is a good business
- and
- gives good services to our clients.

I want to welcome you to our service.

We want to

- get to know you
- find out what is important to you
- help you reach your goals.

About Possability

We work with lots of people with disability in Tasmania and Victoria.

We help people who live in **shared houses** to

- learn new skills
- be part of the community.

Shared houses are houses where two or more people with disability live together.

We will help you with the **NDIS**. The **NDIS** is the new way the government supports people with disability.

How we work with you

We want you to be happy with our service.

When we work with you we will

- ask how you want us to work with you
- help you to make your own decisions

- talk to you about your goals

- listen to what you tell us

- treat you well

- make sure there are not too many changes for you

- talk to you about any changes before they happen.

What happens next

We will work with

- you
- and
- the people who are important to you.

We will make sure we understand your

- needs
- and
- goals.

We will help you make your **support plan**.

Your **support plan** says what supports you need now and in the future.

This will happen in 2019
