Possability

KINGSTON

Supported Independent Living

Vacancy Available

Sunny family home, minutes from shops and public transport, just waiting for you.

Property Details

This shared 5 bedroom home is close to Kingston Town and Channel Court shopping centers, and sits on a quiet street with views of kunanyi and all day sun.

Room Information

A bright single room with built in robe and views out into the garden. The house is fully furnished but the new resident would need to supply their own bedroom furniture.

Current Residents

The current 4 housemates are all mature ladies with a wide variety of interests. Craft making, shopping and cooking are all popular activities for those in the house.

The house runs a diverse range of activities and residents enjoy celebrating special events together or with their family and friends.

Support

Support is flexible and will be guided by individual needs. Currently, the residence is staffed at all times other than 9 am - 3 pm weekdays with every evening being a sleep over shift.

Suitable for

This vacancy would be a great fit for a mature lady wanting to share with socially minded housemates.

Possability
Nurturing potential.

Accessibility & Nearby Facilities

The home is a sunny single story residence situated on a quiet cul de sac with panoramic views of Mt Wellington.
Kingston Town and Channel Court shopping centers are just minutes away as is public transport, local medical services, hotels, and sporting clubs.

Other Information

This property has extensive outdoor spaces which include a vegetable garden, grassed areas, and many bright ornamental plantings.
An undercover outdoor entertainment area adjoins the main living spaces and encourages social activities in the fresh air.
Shared living spaces include a well appointed formal lounge area, an open plan kitchen/dining area, craft room, 2 bathrooms, and full laundry facilities.

All current residents stay 7 days a week with occasional nights away for holidays or family visits.
Friends or family are always welcome to visit and are often invited for meals or to celebrate important life events.

Funding

Potential housemates will need National Disability Insurance Scheme (NDIS) funding for Supported Independent Living or similar.

Currently, the residents each contribute to a shared household account from which items such as rent, electricity, groceries, fuel etc. are paid.
