OFFICE LOCATIONS

House visits

Possability staff are looking forward to meeting you to find out more about your needs and wishes.

We will arrange a planning meeting with

- you and
- the people that are important to you.

We will work together to start developing a new **support plan**.

Your **support plan** says what supports you need now and in the future.

We will make sure we understand your needs and goals.

Consent

We need you to sign a **consent** form before we can have a planning meeting.

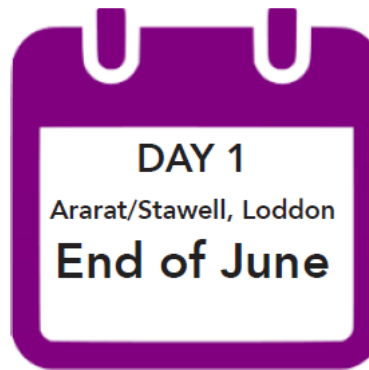

Consent is when you agree to something.

We need your **consent** to get and use information about you.

We will contact you if we need you to sign a **consent** form.

When is Day 1 with Possability?

We will tell you the start date of the transfer closer to the time.
