MOONAH

Supported Independent Living

Vacancy Available

Accommodation in the heart of Moonah, a short walk to shops, public transport, and community amenities.

Property Details

This shared 3 bedroom home is just minutes away from the Moonah shopping district, public transport, popular local businesses and community amenities.

A sunny open plan kitchen and dining area are at the center of this comfortable weatherboard home, these then adjoin a large living room with lounge and big screen tv.

Suitable for

This vacancy would be a great fit for a person who appreciates the convenience of local shopping and public transport, but might then enjoy returning to a relaxed and peaceful home environment.

Current Resident

This is a two person shared home and the current resident is a quiet but social gentleman in his late 30's who enjoys watching footy and cricket and listening to country music.

Room Information

The spacious double sized bedroom is unfurnished but has space for a bed, cupboard, and a desk.

Support

Support is flexible and will be guided by individual needs. Currently the residence is staffed at all times other than 9 am - 3 pm weekdays, with every evening being a sleep over shift.

Possability
Nurturing potential.

Accessibility & Nearby Facilities

The site is flat and easy to access with only a few stairs leading to the back yard. Hand rails are located in the bath and shower.

Other Information

The house shares a site with 17 independent units including vegetable gardens and a site common room. The home has a single bathroom with shower and bath, washing machine, and a small paved rear courtyard with clothesline.

There is plenty of off street parking and the house sits on a quiet road with minimal traffic noise despite it's central location.

The current resident stays 7 days a week with occasional nights away for holidays or family visits.
Friends or family are always welcome to visit and are often invited for meals or to celebrate important life events.

Funding

Potential housemates will need National Disability Insurance Scheme (NDIS) funding for Supported Independent Living or similar.

Currently, the residents each contribute to a shared household account from which items such as rent, electricity, groceries, fuel etc. are paid.
