This is a letter from

- Drew Beswick, CEO of Possability

and

- David Morris, Chair of Possability's Board.

Hello,

We have some exciting news to tell you.

Possability is joining together with Lifestyle Solutions.

That means Possability and Lifestyle Solutions will end up being 1 organisation.

This will help us give better services to more people.

Will there be many changes?

There will not be many changes when we join together.

You will still have

- the same services
- the same people supporting you

and

- the same CEO.

There will be a different person leading the **Board**.

A **Board** is a group of people who make sure an organisation is making the right decisions and going in the right direction.

After we join together with Lifestyle Solutions, our new Board Chair will be Tony Pearson.

Who is Lifestyle Solutions?

Lifestyle Solutions

- gives services to people with disability and children

- supports people all over Australia
- and**
- has been supporting people for nearly 20 years.

Possability and Lifestyle Solutions

Possability and Lifestyle Solutions think the same about lots of things.

We both care about

- human rights
- everyone being treated as equals
- and**
- everyone feeling included.

We have similar

- values
- ways we work that are based on evidence
- and**
- ways we support people that look at the individual.

We both want to support people to be more independent and make their own decisions.

Thank you

Thank you for being part of the Possability community.

We are happy we are part of your life.

We will let you know when things are changing.
