This is a letter from Tony Pearson, Possability Group Board Chair.

Good day, I hope you are well.

We needed a new CEO

Drew Beswick was our CEO.

Drew stopped being our CEO late last year.

We needed a new CEO to take his place.

We thought a lot while looking for a new CEO. We looked for a CEO who would

- help us keep doing good work
- care about the same things we do. Like supporting people with disability to do what is important to them.

We have new CEOs

We are happy to tell you we have 2 new CEOs.

Ms Lisa Giacomelli

Lisa is 1 of our new CEOs.

Lisa

- was the leader of our Child and Family Services
- cares deeply about everyone we support
- has lots of experience working with kids and families at organisations like ours.

Dr Ros Blakley

Ros is 1 of our new CEOs.

Ros

- joins us after almost 10 years leading teams at a health insurance organisation
- worked for the government as a doctor helping sick or injured soldiers get better
- loves seeing our team support people. Ros wants to help us keep doing great work.

Our CEOs will work together

Our two new CEOs will work together to make sure you are

- safe
- listened to
- that your rights are always respected.

Lisa and Ros want our services to support your hopes and dreams for the future.

Lisa and Ros will support our team members to

- feel safe at work
- give great services
- bring their best selves to work every day.

Thank you John

We want to say thank you to John Rowland.

John has been looking after the organisation.

John joined Possability in 2017. He worked hard to help our organisation

- support more people
- protect people's human rights.

Meet Lisa and Ros

We will have get-togethers where you can meet Lisa and Ros.

Lisa and Ros will talk about

- what their plans are for the organisation
- how they will work together to make sure our services are the best for people.

You can ask them any questions you might have.
